Try the kp.org member experience for yourself

Health care should be easy to manage. Kaiser Permanente's online tools help your employees get care, manage their health, understand their coverage, and track costs — all in one convenient place. These demos show how members can use kp.org for support at every stage of their health care journey.*

THE NEW-MEMBER EXPERIENCE

- Choosing a personal doctor
- Choosing a doctor for a family member
- Transferring prescriptions
- Scheduling a first appointment
